“I have been a fan of Jeffrey Paige since his days at Shaker Village in Canterbury. He is a dedicated chef who takes enormous pride in his work. Cotton restaurant (and this cookbook) is the mature expression of this great New England cook and I recommend it to anyone traveling through New Hampshire.”

—JASPER WHITE, author of

Buttermilk Fried Chicken.

The words alone seem to satisfy the need we feel for simplicity, the pleasure of familiar flavors. Acclaimed chef and proprietor Jeffrey Paige of Cotton restaurant in Manchester, New Hampshire takes comfort food as his mantra. Cotton opened its doors in 2000 and soon became a culinary destination, recommended in publications such as the New York Times and Bon Appétit. Its neighborly feel, extensive wine list, award winning martinis, and emphasis on high-quality, fresh, local ingredients all make it a place that should not be missed. Located in the Millyard, it also provides a backdrop of Manchester history that is mentioned by John Clayton in the book’s foreword.

With this collection of recipes from Cotton, Jeffrey Paige shares twenty-five menu favorites along with photography by Brian Smestad. Open to any page, and you’ll immediately see how simple simplicity can be. You’ll be cooking in no time!
